BOOKING INFORMATION & PRICE GUIDE 2005

PRICES

Unfortunately it is impossible for Trio de Salon to provide a detailed price list as the fee depends on many details such as the location of the event and how long the Trio would be required to play.

To receive an accurate price quote for Trio de Salon we need the following information

- Type of event
- Location of event
- How long is the Trio required to play.

The final quote would not have any hidden extras added on. All quoted fees include any required travel expenses or any other expenses that may occur for a particular event.

BOOKING INFORMATION

Trio de Salon try and keep the booking procedure as straight forward as possible. The procedure is as follows

1. Contact us with details of your event.
2. We send a quote based on the information provided.
3. If you then want to go ahead and book the ensemble you need to confirm the details that you gave us for the quote, the type of event, the location and the length of time the ensemble is required to play. If any of these details change then the fee might have to be adjusted accordingly.
4. Once the details are agreed I draw up a very clear contract and sign 2 copies.
5. I send both contracts to you then you sign them both and return one copy.
6. When you send back the contract a deposit of 20% of the fee is required. The rest of the fee is to be paid on the day of the event or by another pre-arranged date as detailed in the contract.

Please also read the information below. This is the information included on the reverse of the contract that you would sign to book us.

One other service that Trio de Salon provides is music arranging. If there is a piece of music that you really want played at your event that is not on our repertoire list please talk to us about it. It is possible to arrange a lot of music for our combination of instruments but some music is not designed to be played on only three instruments so we can not guarantee this service. If we can get the music and it is suitable to play on just three instruments we will make every effort to prepare it for your event.

Important Information (from the back of the contract)

1. If our booking is cancelled by you after the contract has been signed 50% of the total fee must be paid to the ensemble.
2. Any alterations to the booking details after the contract has been signed must be made in consultation with Rachel Broadbent as Director of Trio de Salon.
3. All **cheques should be made payable to Rachel Broadbent** and **NOT** Trio de Salon.
4. The ensemble shall bring all required equipment to the event but chairs must be provided for them at the event.
5. If you have booked the Trio to play at a Wedding and have booked the ensemble for more than 2 hours we would be very grateful if you could provide the trio with a small amount of food at a suitable point in the event. e.g. during one of our short breaks or after we have finished. Thank you.
6. The ensemble will have to take occasional short breaks during the event.
7. If, due to circumstances beyond our control, we have to cancel your booking you will be refunded in full.

What People have said about Trio de Salon

Very professional throughout - thank you for a very good performance during our annual dinner.

British Driving Society

The whole process from booking Trio de Salon to them playing on our actual wedding day was great. They gave us advice about what music to play at our wedding as well as listened to our ideas and where able to play several classic pieces that we had chosen which weren't on their play list.

We have a wonderful wedding video to remember our day by and it is nice to hear the beautiful Trio de Salon music in the background, the style of music suited our venue perfectly and we are so pleased we chose them!

Rob & Jo Shaw

Trio de Salon played at my wedding in November 2003. I found out about them on the internet and booked them through their web-site. It was so easy and straight forward. Rachel from the Trio was great to work with and was open to my ideas about what I wanted them to play. As I had only heard them play over the internet I wasn't sure what they would be like on the day, but they were brilliant! Better than their recordings on the internet!

They arrived early and set up very quickly and quietly. After the marriage ceremony they had to move to the marquee and they moved their instruments very quickly and were playing again before I knew it! Everyone at the wedding commented on how good they were and how nice they sounded especially during the ceremony.

What more can I say. They were perfect!
